CAREER OBJECTIVE

To obtain the position of Engineer Trainee where I can apply my technical knowledge, problem-solving skills, and passion for learning, while contributing effectively to the organization's growth and developing my professional abilities.

EDUCATION

GM Institute of Technology

Apr 2026

Bachelor of Engineering in Computer Science

Courses: Object Oriented Programming, Data Structures, Cloud Computing, Full Stack Development

GPA: 8.5/10.0

Sri Vyshnavi Chetana PU College

Pre-University (Science)

PER: 75%

TECHNICAL SKILLS

Languages: C, Python, SQL, HTML, CSS, JavaScript

Certifications:

- DSA (Fundamentals) with Java – Apna College (May 2025)
- Artificial Intelligence Fundamentals – Great Learning

ACADEMIC ACHIEVEMENTS

- Runner-up — ISTE – State Level — Tech-Tatva (Team Idea), Feb 2023
- Winner-up — Advitiya – National Level Technical Fest — Best Poster Presentation, Dec 2023
- Runner-up — Bureau of Indian Standards — Best Poster Presentation, Dec 2024
- Appreciation — Sristi – State Level — Ideathon, May 2025

PROJECTS

AI-Powered PCOS Detection System using Deep Learning

May 2024

- Developed a CNN model to detect PCOS from ultrasound images.
- Automated ovarian pattern analysis for early and accurate diagnosis.
- Used Python, TensorFlow, OpenCV, and medical datasets for training and validation.

Anti Bike Key Start System

Feb 2024

- Developed a smart ignition system preventing unauthorized bike start.
- Integrated RFID/NFC authentication for enhanced vehicle security.
- Automated ignition lock using Arduino and relay control.
- Reduced theft risk through secure access control.

EXPERIENCE

Python Full Stack Intern (Gen AI Program)

Jan 2026 – Present

Dhee Coding Lab

- Developing end-to-end web applications using Python technologies.
- Working on database management and backend integration.
- Implementing Generative AI concepts in real-world projects.

TARGETED ROLES

- Full Stack Developer
- Python Developer

ADDITIONAL INFORMATION

- Strong communication and interpersonal skills.
- Passionate about learning emerging technologies.
- Interested in working in innovative and diverse environments.
